Fishing

There is only one weekend in early June when fishing is allowed without a license. If it happens to be that weekend, let us know that you want to go fishing and we can let you know about equipment, locations, and such. If you have a valid Washington State fishing license, the limit is 5 rainbow trout. There are 8 different types of sport fish in Mayfield Lake if you know where and how to fish them.

East of Mayfield Lake is Riffe Lake, which is 3-4 times larger with good fishing as well. Just south of the outlet of Riffe Lake is Swafford Pond, which is a bass, bluegill, and crappie lake.

A valid fishing license is required in the State of Washington. Here are some options from the WDFW website https://fishhunt.dfw.wa.gov/wdfw/licenses_fees.html. You can buy a license online or at any fishing or general supply store
